

Jose Perez
Los Tres Fantasticos
Project Manger

Week 2 Group work accomplished:

- Task were distributive among the team
- When it came to discussing the way task execution Couple of confusion.
- Communication improved, all the crew was more productive, exited and more willing to put effort and time on the task given, asked question, all made suggestions.
- Completion of task was on time.
- Equipment checked out.
- Interview confirmations were done early.
- Erin and Fawn contacted friends for the ethnography.
- We end up with a group of 4 interviews.
- After shooting on Friday, as a team we had lunch to brainstorm and to note what we had found out just from the interviews.
- Suggested possible directions for the interviews (edit)
- Technical difficulties (what a headache)
- Sketching.
- Contacted client.
- Process site redesign and uploaded.
- Equipment returned.
- Typed the ethnography notes.
- Finish the proposal.
- Creation of the of the ethnography page.
- Research the sites mentioned in on the ethnography.
- Reformatted the presentation.
- Brainstorm the branding and discussed and created the adjective list.
- Compile all the files and sources to upload them to the process site.
- A little slack.
- Practice presentation.
- Finished and practice presentation.
